## **FILMING — IMPORTANT NOTICE**

---

**HENLEY ROYAL REGATTA has commissioned the production of audio-visual coverage of the 2018 Regatta. Competitors will be filmed, the film will be streamed live and a highlights programme will be available on demand following the close of each day's racing. All coverage will be available on the Regatta website and on the Regatta's Official YouTube channel. A highlights programme of the 2018 Regatta may also be broadcast at a future date.**

**It is a condition of entry that each competitor consents to the filming and broadcasting of their participation in the 2018 Regatta.**

**Accordingly, it is a condition of entry that the duly authorised official of the Club (for composite crews, a duly authorised official of each Club) notifies the competitors and obtains their consent to participate on this basis.**

**For entries containing Minors (those under 18 for these purposes), it is a condition of entry that the duly authorised official of the Club (for composite crews, a duly authorised official of each Club) notifies the Parents/Guardians of the competitors and obtains their consents to the Minors participating on this basis.**

**This notice should be circulated by the duly authorised official of the Club to each individual competitor.**

**Please retain this notice and display on the Crew Notice Board before completing your entry.**
